

Greater Houston Section Fall Educational
"Phased Array Today"
Saturday November 5, 2011
8:00AM to 5:00PM @ Stork Testing
222 Cavalcade, Houston, TX 77009

Phased Array Today – Presented by Krist Brost - Hellier NDT

WHAT: Understand how phased array technology is changing conventional ultrasonic testing. Capabilities, advantages and applications will be discussed and demonstrated. Experience "hands on" courtesy of Olympus NDT.

COST: \$50 in advance; \$60 at the door. Price includes lunch but does not include the \$15 CEU application fee. CEU certificates provided to all participants.

REGISTER TODAY! Enrollment is capped at 24 students
