MESSAGE FROM THE SECTION CHAIR

I am very happy to be the Section Chair this year. For nearly two years we have experienced some hard times, but there are some amazing things that are going to be happening this year. We have a great program schedule, and after various delays we will finally have the ICPIIT conference, hosted for the first time in Sugar Land, Texas.

I joined ASNT back in 2004. After moving to Houston from Virginia in 2014, I decided to be more active with the local ASNT section. I quickly felt at home having made great friends both personally and professionally along the way.

I want to take the time to say how much I really appreciate and value those section members that volunteer their time to serve on the board, fill a committee position, and volunteer regularly. It's the efforts of our membership and our volunteers that make the ASNT Greater Houston Section so great. I would like to encourage any of you that want to give back, to volunteer and to find yourself here at the section meeting. Let's help the NDT industry that we all know and have grown to love.

Zeki Gokce
GHASNT Section Chair (2021-2022)
